Publication of the annual *Bibliography of Bioethics* is a project of the Kennedy Institute of Ethics, Georgetown University. This book benefits from acquisition, classification, and database development activities funded by Contract N01-LM-5-3501 with the National Library of Medicine, and by Grant 5 P41 HG01115 from the National Human Genome Research Institute. It also reflects the contributions of The Anderson Partnership; Max M. and Marjorie B. Kampelman; and the National Endowment for the Humanities.
