## **A NOTE TO OUR READERS . . .**

*Because funds are limited, we are very grateful for your donations, as well as your recommendations to your publishers to forward review copies to the Editor. In addition to being listed here, all titles accepted for the collection will be included in the ETHXWeb and GenETHX databases, as appropriate, hosted at <http://bioethics.georgetown.edu/databases/>. Your efforts to support this publication and the dissemination of bioethics information in general are sincerely appreciated.*

NEW TITLES IN BIOETHICS is published quarterly by the National Reference Center for Bioethics Literature, Kennedy Institute of Ethics as an electronic version (<http://bioethics.georgetown.edu>) beginning with 2004. Annual Cumulations were published up until 2005 as a separate print publication. In addition, NEW TITLES IN BIOETHICS data is included annually in the BIBLIOGRAPHY OF BIOETHICS. NEW TITLES IN BIOETHICS is a listing by subject of recent additions to the National Reference Center's collection. (The subject classification scheme is reproduced in full at the end of each quarterly issue.) With the exception of documents in the section "New Publications from the Kennedy Institute of Ethics," materials listed herein are not available from the National Reference Center. **They are often available directly from the publishers listed in each citation.**

**Note: Beginning in January 2006, NEW TITLES IN BIOETHICS quarterly issues will only be available online at: <http://bioethics.georgetown.edu>. Annual cumulations will no longer be available as a separate publication, but will be included in each annual volume of the BIBLIOGRAPHY OF BIOETHICS, published each September.**

The acquisitions cited in this publication have been acquired with the support of the National Library of Medicine, National Institutes of Health, Department of Health and Human Services, Contract No. HHSN276200553501 [and] Grant No. P41 HG01115 from the National Human Genome Research Institute, National Institutes of Health. Other items cited are provided by the National Endowment for the Humanities, the Anderson Partnership, the Kampelman Collection of Jewish Ethics, and the publishers and individual donors noted.
